

Richardson To Visit Agawam Sunday

On Sunday evening, Sept. 27th between 8 and 9 p.m. Elliot Richardson, Republican candidate for Lieutenant Governor will visit the home of Mr. and Mrs. Joseph Trzcinski at 597 Suffield St., where he will be greeted by a group of friends and supporters for his election in November. This will be the first of several visits to Agawam during the election campaign.

An "open house" will be maintained, affording Agawam voters an opportunity to meet Elliot Richardson and discuss items of interest.

Christian Science Lecture Saturday

A public lecture on Christian Science will be given on Saturday, Sept. 26 at 3 p.m. in First Church of Christ, Scientist, 599 State St., Springfield.

Arnold H. Exo of Chicago, Illinois, will be the speaker, under the sponsorship of First Church of Christ, Scientist, Springfield. A main theme of the lecture will be how the power of God is available in this age.

Mr. Exo is currently on tour of the North American continent as a member of The Christian Science Board of Lectureship. He left a successful career in sales and advertising work some years ago to take up the full time practice of Christian Science. He was a Wartime Minister to the armed services during World War II, and has since become an authorized teacher of the religion.

The title of his lecture is "How Christian Science Reveals God's Healing Power."

REGISTER TODAY FOR SWIM CLUB

Trinity Methodist Church announces the formation of the Trinity Swim Club for all boys of the Junior and Senior High School age. This is for all boys interested in competitive swimming.

A staff of coaches led by John Mitchell, Jack Weldon, John Castle and Barbara Jacque will help develop the needed skills for competitive swimming.

The place is Trinity Methodist Church, 361 Sumner Ave. Springfield, Mass. The date for registration is today from 7 p.m. to 9 p.m.

Bring your towel and swim suit when you register. This is a great opportunity for all boys in the greater Springfield area.

Baptist Women Meet Tuesday

The opening meeting of the United Women's Fellowship of the Agawam Baptist Church will be on Tuesday the 29th. The evening activities will begin with a covered dish supper at 6:30 p.m. followed by a business meeting conducted by Mrs. Barbara Briggs, president.

Mrs. Jeanne Webster, program chairman, will introduce the speaker, Mr. William H. Mitchell. Mr. Mitchell is active in civic affairs in Springfield. Among his many interests are in PTA's, Men's Service Club, Juvenile Delinquency Commission, National Association for Advancement of Colored People, Dunbar Community Center and the Hill Neighborhood Council. He comes to this group as a member of the Speakers' Bureau Office of Inter-group Relations Specialist and his subject will be "Expressing Christian Concern in Civil Rights."

A cordial invitation is extended to anyone interested in this program.

Senior High School Band Prepares For Busy Year

Agawam High Band looks forward to good year. With 72 members reporting for the first rehearsal two weeks ago, the band began getting in shape for the Fall season — one of the busiest of the year. About the same number were at the second rehearsal held the day before school opened. Twenty-nine freshmen were welcomed to the ranks of the band which will also include 27 sophomores, 20 juniors and 24 seniors.

The hard work of preparing a marching program began in earnest on the first day of school with a schedule of four hours a week, after school, for rehearsals. (Continued on Page 2)

Adult Evening School Registration Tonight

The director of the Agawam Evening School, Richard H. Barry, has announced that the registration for all adult education classes will be held on Thursday evening, Sept. 24th, from 7-9 p.m. at the Agawam High School on Cooper Street.

In the academic arts all subjects required for the completion of high school and a high school diploma will be offered.

Classes will be offered in typing, shorthand, bookkeeping, and the use of office machines for those interested in commercial subjects. Classes offered in the practical arts division are: sewing and tailoring, repulchery, knitting, rug hooking, rug braiding, cake decorating and party refreshments, oil painting, decorated ware, cabinet making and furniture refinishing.

All classes will begin the week of Sept. 28th.

Other courses to be offered will be listed at a later date.

Rack 'N Cue Billiard Tournament Season To Open Sept. 25

The 1964-65 pocket billiards tournament season is scheduled to open tomorrow at the Rack 'N Cue in the Agawam Shopping Center.

The season opener will see Peter McGovern, the '63-64 champion, meet challenger Joe Donnelly, last season's runner-up, in a 125 point exhibition game. The match is slated to begin at 7 p.m. on the 25th.

The first invitational tourney is planned for Monday, October 19 through Thursday, October 22. A total of six invitational tournaments will be played during the season with average and above average players competing. For the beginners, a series of novice tourneys will be held. The first will get under way on Monday, October 26. All interested cuemen are invited to register. Registration deadline for the first invitational tourney is Friday, October 16, while entries in the novice tournament must be in no later than Friday, October 23.

Volpe, Man For The Job

The primary elections set the stage for an event of supreme importance less than two months hence, when the people of Massachusetts will select their next governor — a new governor because of the defeat of Endicott Peabody.

Of the two nominees, one, and only one, possesses the personal stature, the character, the training and the outlook required for the office of governor.

That man is John A. Volpe. Mr. Volpe is the nominee of the Republican Party. In the elec-

tion ahead, as The Standard-Times views it, his qualifications are so far superior to his op-

(Continued From Page 1)
als. With the first football game
two and a half weeks from the
start of school (and a concert at
the Eastern States Exposition
the morning of the first game),
this gives the band a total of
about 12 hours of rehearsal be-
fore their first concert and drill
performance — including the
training of freshmen who have
never marched in a band before.

Most college bands, with their
elaborate shows, find it advisable
to have a week of band camp
before the start of school giving
them about seven - eight hours a
day for four or five days to get
the band ready in time. Added
to this is a daily two hour re-
hearsal giving them about 35
hours before school begins and
then 10 hours a week with a
group of selected and experi-
enced students including many
music majors.

Many high school bands also
run a band camp because of the
pressure of the early perfor-
mance of the group.

Since most of the members
are only in the band as an ac-
tivity, the time load must be
kept in reasonable limits and the
band normally functions on two
one-hour rehearsals a week fol-
lowing the opening game. For-
mations are not changed com-
pletely between every game al-
though several changes are
made during the season, includ-
ing something different for nearly
every game.

Although the football season is
one of the busiest, and the hard-
est to prepare for — with the in-
experience of new members and
the short time element, a full
year of activity is offered the
band members.

The Winter season is taken up
with preparation for Spring
concerts and music festivals, taking
chevron tests, the Band Supper,
and additional work in the dance
band and Broadway Musical by
many members.

In the Spring, the tempo of ac-
tivity steps up again with the
Band Time Concert, the exchange
concerts and the Music Festivals.

During many years there has
also been a little something extra
such as the performance at the
Acorns game last year and the
concert for the Governor at the
State House last February.

With the top quarter (in talent
and experience) graduating
every year, there are bound to be
noticeable kinks in the early per-
formance of the group. However,
the spirit of the returning and
new members is so good in ac-
cepting the traditions left them
that in no time at all they are
marching and playing like the
veteran groups of past years.

Convocation Altar Guilds Meet At St. Davids Tonight

Tonight the Directress and
members of the Altar Guilds of
all the Episcopal Churches of
the Springfield Convocation meet
at St. David's Church, Spring-
field St., Agawam. Altar Guild
membership is made up of a
small group of women in each
parish who, having received special
training, work under the di-
rection of the Rector or Vicar
in assigned tasks having to do
with the care and maintenance
of the Altar and Sanctuary of
the church. It is customary for
Altar Guild members to attend
religious retreats periodically and
to make a life-long study of the
customs, Liturgy and traditions
of the Anglican Communion.

Father Hale to Lead Meditation

Father Whitney Hale, formerly
Rector of the Church of the Ad-
vent in Boston, father of the Rec-

tor of the Church of the Atone-
ment in Westfield and father-in-
law of the Vicar of the Church of
the Epiphany in Wilbraham, will
conduct the meditation at the
service of Evening Prayer, at
7:30 p.m. Father Hale is a Cler-
gyman of national renown and a
Priest who is in much demand as
a conductor of religious retreats.

Officiating at the service will
be Rev. William Hale, of West-
field and the Rev. Daniel Kun-
hardt of Wilbraham together
with the Rev. John St. Tyler,
Vicar of St. David's.

The members of the local Al-
tar Guild, under guidance of the
Directress, Mrs. Philip Blaisdell,
will provide supper for the dele-
gates and will conduct the busi-
ness meeting. The local church
will have on display the Altar
vestments and hangings, with a
presentation of needle-craft work.

perior though they are, do not
assure him of success in Noyem-
ber. He faces a rough battle
against a well-heeled, glib adver-
sary whose strong showing in the
primary capped a meteoric rise
from nowhere, insofar as experi-
ence in government is concerned.

The forces for good government
must begin to roll now to achieve
victory.

That is the essential reason The
Standard-Times strongly endorses
former Governor Volpe at this
time, while there is opportunity
to urge our readers to reflect on
the task and what is needed to
fulfill it, to compare, and, then,
to put their shoulders to the
wheel.

Mr. Volpe is, indeed, seeking a
position he once held. The cir-
cumstances may be likened to
that of veterans who return to
active duty in defense of their
country.

Mr. Volpe deserves praise for
seeking to serve his State again.

In this election, we infinitely
prefer, and recommend, John A.
Volpe for governor. — Standard-
Times.

The last meeting of the Agawam Lions Club was held in their Bar-B-Que Chicken food tent at the Eastern States Exposition, and was a memorable event. A plaque was presented to the Exposition, through General Manager Jack Reynolds, in appreciation of their co-operation with the club during the last four years they have been a tenant. Much praise was given President Zucco for the fine manner in which the operation was conducted, and assurance was given the club of continued co-operation of the Exposition.

The Food Tent is being operated this week and the returns for the first three days have been greater than last year, even though the general fair attendance is down. Many, many people have said that they enjoyed the dinner last year and came back again this year.

At this same time, Lions are working on the Agawam Community Birthday Calendar, which is in its 11th year.

Next meeting will be Oct. 7th.

TODAY'S AGRI-FACT

Here in New England we think of summer squash as being yellow, but actually nearly half of them now are green squash of Italian origin called Zucchini, Cocozelle or Caserta. Years ago the yellow summer squash were called "Yellow Crooknecks" but we found that they didn't pack easily in the containers so the hybridizers straightened out the necks and they are now known as yellow Straightneck. Summer squash A generation ago people wanted them large. Now we want small tender squashes. Incidentally summer squash plants are extremely prolific and when you can't eat them or give them away fast enough, it is possible to slice them, dry the slices and keep them for winter.

FILLING THE SILO

Children who walked home from school in the autumn days of 50 years ago have deep in their memory the sound of a one cylinder engine. They may interpret it in various ways as "Pop! chuff chuff" or "Plip plip tunk." Some may even remember the steadier chuffing of the old steam engine as pictured above. At any rate the ensilage cutter was as natural to the fall scene as ripe grapes and the beginning of school.

Children wandering homeward carrying an empty lunch box and a sweater might pause for their little argument or to pick up a yellow pear in a handy orchard but always they watched the familiar loads of corn being driven up to the silos. The old engine tunked away and the chopped stalks and ears climbed slowly up the chute on an endless chain.

A certain teacher who was city raised was once confused by her geography class while studying the farm products of New England. Finally her patience gave way and she snapped, "What is this 'ensilage, ensilage' I keep hearing about? What the farmers raise is corn fodder!"

Not a child protested. Politely they let her think what she wished, but—they knew what they knew. Many of the children

knew the experience of riding on a load of corn stalks. They knew the crisp sharpness of the leaves. They saw how the stalks were loaded butt ends together to make unloading easier. They knew that only grown men were allowed to push the stalks into the cutter and that children must stand back. They respected the fact too that in the Spring when the contents of the silo was down below the level of the barn floor, playing there was strictly forbidden. A gas was formed there which could kill you.

In the days when Agawam produced a sizable percentage of the milk used in Springfield, every farm had its dairy barn and silo.

Strole of 1121 River Rd., Agawam, currently serving aboard the destroyer USS Morton, left Subic Bay, Philippines, on Sept. 2 for patrol of the Western Pacific as one of the Seventh Fleet units put on alert following the North Vietnamese PT boat attacks in the Gulf of Tonkin last month.

Phaneuf Completes Basic at Great Lakes

GREAT LAKES, ILL. (FHT-NC) — John R. Phaneuf, 21, son of Mr. and Mrs. Armand L. Phaneuf of 25 Ley St., Agawam, recently completed basic training at the Naval Training Center, Great Lakes, Ill.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance and gunnery, military drill, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical training or to ships and stations for on-the-job training in a Navy rating specialty.

1965 Ford Fairlane

Most popular intermediate-size car on America's highways, the Fairlane is completely restyled inside and out for 1965 and has been given a big car ride to match its new big car look.

"Fairlane size cars are increasing in popularity faster than any other segment of the automobile market," said E. F. Laux, Ford Division general sales manager. "This growth—from 4 per cent of 1961 models to 14 per cent of 1964s—reflects rising recognition that the intermediate-size cars offer an ideal combination of roominess with a fun-to-drive

size."

Mr. Laux said that the Fairlane continues its role as trendsetter with a wider, more substantial look and clean-flowing lines for 1965. Forward-thrusting front fenders and tasteful body sculpturing add a lively note.

"New standards of ride and quietness in the 1965 Fairlane have been achieved through suspension redesign and an ultra-modern new sound package," Mr. Laux said. "New low-profile tires—standard on all 1965 Fairlanes—also contribute to a smoother, quieter ride as well as to im-

proved handling."

Headlining the Fairlane engine lineup for 1965 is a new standard-equipment, 200-cubic-inch Six rated at 120 horsepower. The new engine has a seven-main-bearing crankshaft for smooth operation and long life.

Three V-8 engines of the famous Fairlane design proved in the Ford-powered Lotus and Cobra sports cars are offered, ranging from 195 to 271 horsepower. Three-speed Cruise-O-Matic transmission is available for the first time with all 1965 Fairlane engines including the new Six and the 271-horsepower high-performance V-8.

speed manual and overdrive transmissions also are available to meet nearly any preference for performance or economy.

All eight Fairlane models—including two- and four-door sedans, hardtops, and station wagons—will be introduced in Ford dealer showrooms on Friday, September 25.

"A determined effort to satisfy all customer demands took a great deal of engineering know-how," said Frank E. Zimmerman, Ford Division general marketing manager.

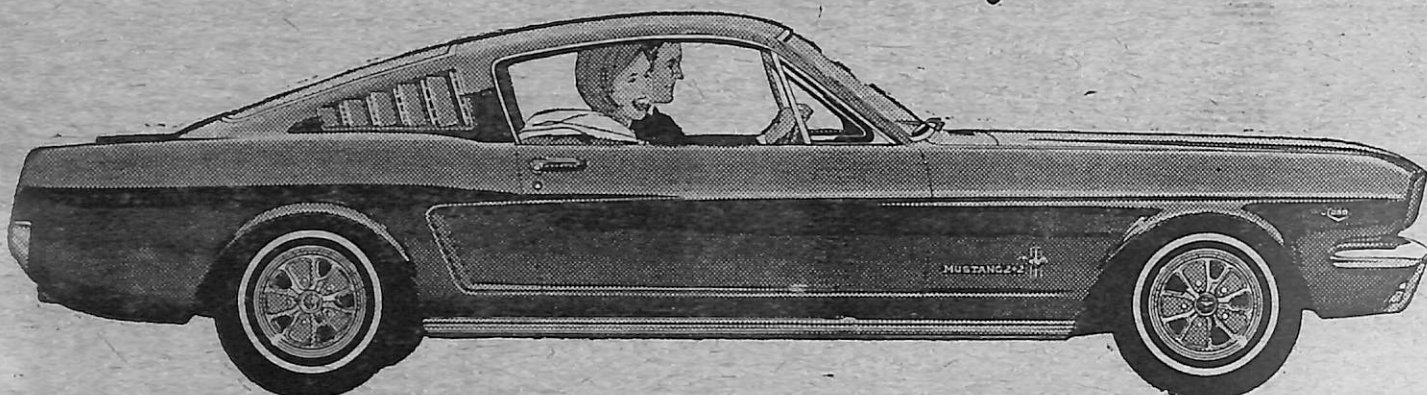

"A careful blending of more powerful engines with improved transmissions gives the 1965 Falcon added performance and, at the same time, gas savings of up to 15 per cent."

The 1965 Falcon offers a selection of three engines, all available. (Continued on Page Six)

Johnson Motors introduces outboard engines of 5, 6, and 33 horsepower in a 1965 line company officials describe as the largest, lightest and quietest in the Waukegan (Ill.) manufacturer's 44 years.

There are 17 models in the 1965 Johnson line, 17 outboards in 10 horsepower classes (3, 5, 6, 9½, 18, 33, 40, 60, 75 and 90) and three inboard-outboard engines. The 120 hp product is offered for the first time through Johnson Sea-Horse dealers.

New 6 and 5 for 65

The new 6 and 5-hp engines are products of the same engineering breakthrough that produced the million-dollar Sea-Horse 9½ introduced a year ago. At 51 pounds the 6 is six pounds lighter than a 5½-hp model previously marketed by Johnson. The

Out of Staters are Buying

After last year's unavoidable woods closure at perhaps the best time of the year for the outdoorsman, many people felt that Vermont might suffer this year in

out-of-state hunting license sales as a result. Nothing could be farther from reality, however. With even brighter than usual forecasts for both September fishing and fall hunting — out-of-state sportsmen apparently have been buying licenses well ahead of usual sales.

Wardens report better than average prospects for both woodcock and partridge. The 50 day continuous season for ducks seems to appeal to most and the fact that this year the 3 duck daily limit may be made up entirely of black ducks helps some in this area. Bear hunting should be at least normal with around 300 expected to be taken by hunters. So far, eight out of four-

teen counties have seen bear taken for a total of sixteen for the first eleven days. The season for bear opened Sept. 1st. The special bow deer season opens Oct. 10th, along with the duck and goose season.

Hats Off

We must take our hats off to the boys of the West Springfield Fish and Game Club. Again this year they have unselfishly constructed pheasant pens and raised at their own expense 140 birds to be liberated in the near future for the general public to bag. This project is carried on each year by the club. This corner visited the pens and witnessed some of the most healthy birds in the state. They will provide some fine shooting for the lucky hunters that come up on them in the hunting season.

Reminder that the Hampden County Council of Sportsmen will meet today at the Ludlow Sportsmen Club.

The Western League of the Massachusetts Field Archery Association will hold its annual Championship Tournament at the Springfield Sportsmen Club Sept. 27th. Trophies will be awarded in all classes. 250 archers from the Western part of the state are expected to participate in the event.

Alley Katz Bowling League Has Openings

The Alley Katz opened their new season last Thursday morning. The newly elected officers are as follows: Phyllis Mason, president; Virginia Blackburn, treasurer; and Theresa Losito, secretary. Mrs. Mason has appointed the following committee members: June Borgatti, publicity; Ann Burke, friendship; Jeannette Denoncourt, banquet and Pat Wood, trophies.

Phyllis Mason took high triple with 288 and also high single with 109. Virginia Blackburn took second high single with 108.

There are still a few openings left. This is an ideal league for bowlers who are just beginning. It is a housewives morning league starting at 10 on Thursday morning at Agawam Bowl—Agawam Shopping Center (Candle Pin Bowling)...children welcome.

Anyone interested in joining please contact Phyllis Mason, RE 9-9730 or Theresa Losito, RE 9-5762.

able with either Cruise-O-Matic or three-speed manual transmissions to meet the requirements of all drivers.

"Engineering improvements of the new Falcon have been coupled with styling refinements including a new horizontally-lined grille which gives the car a wider, lower appearance," Mr. Zimmerman pointed out.

The 1965 Falcon also features all new interior trim styles and materials and new instrument ornamentation which enhances the beauty of the car.

New low-profile 14-inch tires are standard on most Falcon models in 1965, and will give the compact cars better stability and handling characteristics. Less road noise will add to passenger comfort.

The model lineup for the 1965 Falcon includes 2- and 4-door sedans, 2- and 4-door station wagons, a Station Bus and Club Wagon in the Falcon series, and 2- and 4-door sedans, a 2-door hardtop, a convertible and a 4-door station wagon in the Futura series. The new 1965 Falcons will be introduced by Sarat Motor Sales, tomorrow.

Pocket Billiards Modified For League, Tournament Play

The Billiard Congress of America has announced the adoption of a new standardized 14.1 handicap game that will make possible nationwide league and tournament competition.

The new rules are intended to develop a uniform league and tournament game, to enhance the game from the spectator's viewpoint and to aid in the revival of the sport.

The game basically is still the old 14.1 (continuous play) pocket billiards, but instead of playing

a predetermined total it is now played on a basis of 20 innings. Each player will be allowed 20 turns with a restriction that he can pocket no more than 14 balls per inning. Should a player run the 14 maximum he ends his inning and his opponent begins play from that point. The game can be played to a maximum score of 280 points.

SQUARE DANCE

PROMENADERS
AL AND ELAINE TAUPIER

This week we hope to see every one dancing with a party in mind. Friday night, (that's tomorrow), we will hold our annual birthday celebration. At our party, you the dancer, may be the recipient of a birthday present from the Agawam Promenaders Club. Several door prizes will be awarded, and of course, what is a birthday party without a cake. Elmer and June Roosa, along with their committee, have been busy planning a party to be enjoyed and remembered by all. And last, but not least, we will have our favorite caller, Dick Steele, with us to call some swinging numbers.

Being our 9th year, which is really quite old in square dancing circles, it would be nice to see many of the original dancers turn out for this event. We will be at our regular spot at Robinson Park School, Begley Street, and the time will be 8 p.m. Hope all plan to join the party.

Reminder!

It is still not too late for those wishing to join our new class this season. Lessons will be every Tuesday evening from 8 to 10:30 p.m. at Robinson Park School. Just find your way to the school on Tuesday night or call RE 7-5704 or RE 2-3567 for full details.

WNEC ENROLLMENT SHOWS GAINS

With classes in all divisions of Western New England College now in session, information released by Mr. Harold W. Smith, registrar, discloses an overall gain of 8% in the number of students attending.

The largest increase took place in the Day Division classes with a total of 470 enrolled compared with 333 last year. A 68% gain in the number of freshmen enrolled in day classes is responsible for the marked change in those enrolled in this division at WNEC.

Further analysis of the day classes reveals that 173 are presently enrolled in the freshman and sophomore years of the School of Business Administration which was inaugurated in September 1963 while 297 are registered in the School of Engineering.

The distribution of students pursuing program toward the Bachelor of Science degree in Business Administration shows that 54 are majoring in accounting, 108 management, and eleven in marketing.

The breakdown of those taking studies toward the Bachelor of Science degree in the School of Engineering shows that 219 are majoring in mechanical engineering, 51 in industrial engineering, and 27 in the new electrical engineering program.

Reporting on the evening enrollment at WNEC the registrar announced that over 1500 students had registered for classes in the evening division.

For the first time in the 46 year history of WNEC all students enrolled are attending their classes this fall on the Wilbraham Road campus. This was made possible through the completion of the new \$800,000 West-Classroom Laboratory Building construction of which was started about a year ago.

Catelotti, Jim Collins, Joe Corgan, and Bridget Shea; Sophomores—Steve Blackburn, Susan Durant, Jim Foley, Mark Rossi, and Elizabeth Wright; Juniors — Ken Affleck, Jackie Bouley, Donna Creamer, Marilyn Demont, Nancy Herzog, Donna Judd, and Bob Osolinski; Seniors — Jay Balboni, Susan Cimma, Bill Henry, Pat McMahon, Robert Mosher, Marilyn Oliver, Ronald Penna, Russell Weber, and Wendy Werthamer . . . Good-luck this year!

Seniors received their class hats the second day of school. They're white sailor hats with orange A's and brown numbers representing the class of '65 attached to the front. The hats will be worn on special occasions during the school year especially at rallies.

The clubs and organizations are beginning to form already.

The future Teachers of America will hold its first meeting on Monday Sept. 28, in room 4. All new members are welcome. The Red Cross held a meeting last Tuesday, Sept. 22, in room 12.

The Senior class has already elected Sub-Treasurers for their homerooms and are as follows; Room 2, Martin Blustine; room 12, Susan Cavanaugh; room 24, Adella Gagliarducci room 25, Joyce Haynes; room 26, Ann Dezielle; room 30, Kathy Rose; room 39, Linda Lloyd, room 44, Steve Olivo, and room 50, Barbara Tatro.

The football season is here at last. Agawams first game is this Saturday against Cathedral at Trade Field. To set off the spirit a Rall and Dance will be held Friday night at the Agawam

High School field. There will be entertainment for your enjoyment. The Rally Dance is sponsored by the Senior class yearbook staff to help raise money for this year's yearbook so there will be an admission fee. The Chairman of this Rally Dance is Bob Swanson. The Rally Dance will be open for all classes so come and join the fun from 8 to 11. Come and cheer against Cathedral. See you all at the game!
